KENNEDY IN ACTION: The first decision was to "run like the very devil."

### Johnson Is Hosted by Bomb Suspect

LITTLE ROCK (AP) — Justice Jim Johnson of the Arkansas Supreme Court said yesterday he spent the night last Saturday at the West Memphis home of Emmett E. Miller, 44, one of three men facing federal charges in an alleged bombing plot here.

Johnson said he saw no reason for excitement about his staying overnight at the home of a friend.

Miller and Robert Lloyd Parks, 33, of West Memphis were arrested by the FBI and police early Tuesday near Philander Smith College. The FBI said they planted a home-made dynamite bomb near one of the college's buildings.

"They were charged with interstate transportation of dynamite intended to damage an educational building, Hugh Lynn Adams, 33, of Bassett, was arrested at his home and charged as an accomplice.

Adams and Miller are free on \$20,000 bond. Parks remained in jail last night.

About two hours after Miller and Parks were arrested a bomb damaged a Little Rock School District Warehouse. Officers are pressing an investigation of that blast. No attempt has been made to link the attempted bombing and the actual explosion.

## 2 Airliners Crash; 87 of 88 Are Saved

By CARL ZIMMERMAN

MANILA (AP) — Two airliners carrying a total of 88 persons crashed almost simultaneously in Philippine waters at opposite ends of the island chain before dawn today. An Ohio woman was killed. All the others survived.

First, a Philippine Airlines DC3 ditched near Zamboanga, off Negros Island in the south. Bad weather had prevented its scheduled landing at Zamboanga City on a flight from Manila, and the plane ran out of gas. The 27 passengers and 3 crewmen all reached shore safely.

Eight minutes later, a crippled Northwest Orient Airlines DC7C, its left wing afire, ditched off the Polillo Islands 85 miles northwest of Manila with 58 persons. The plane sank seven minutes after it was ditched.

U.S. military amphibious planes picked up the 57 survivors and the woman's body and brought them to Manila.

The American airliner had been approaching Manila as its final stop in a flight from New York via Seattle, Anchorage, Tokyo and Okinawa.

About an hour before the Northwest airliner crash, the pilot reported his No. 2 propeller had "run away" and he was unable to feather it. Then the engine caught fire, the flames spread to the wing and the four-engine DC7C hit the water.

Rescue planes sighted signal flares on the water near the crash scene, put down and taxied up to the survivors huddled on four rafts.

A rescue pilot said the water was so rough that the rafts had to be towed to a cove so the survivors could be landed on the five planes.

The Northwest survivors were flown to Manila's International Airport and the U.S. Naval Base at Sangley Point on Manila Bay. They arrived eight hours after the crash. Most were able to walk to ambulances. They were driven to hospitals.

The dead woman was identified by an airline spokesman as Mrs. Clyde Kelley, 52, of Springfield, Ohio. He said she was born in Winfield, Kan., Oct. 12, 1907. Her body was found floating in the water.

Airline officials withheld the name of the seriously injured survivor.

The passengers were shoeless, in wet clothes, and some were still clinging to lifebelts. But most were in good spirits and full of praise for pilot David Hall of Seattle, Wash., and six members of his crew.

Minor Damage in E. 3rd Collision

A collision between an automobile and a truck resulted in moderate damage at 4 p. m. Wednesday at the intersection of Brannan and East Third Sts.

The accident involved a car driven by Priscilla Johnston, owned by her father, A. T. Johnston, and a truck driven by Johnny E. Whitehead of Dallas.

Whitehead was booked by city police for improper passing.

Alongside Jack were Kennedy's brothers visiting from their multimillionaire father, Joseph P. Kennedy, ex-ambassador to Britain, to the family's 16 grandchildren.

Youthful Kennedy brothers visited coal mines, leaped from ski jumps and worked around the clock in primaries from New Hampshire to West Virginia.

## Kennedy Nominated on First Ballot, But Battle Scars Remain

### Kennedy to Pick No. 2 Man Shortly

LOS ANGELES (AP) — Sen. John F. Kennedy, the Democratic presidential nominee, said today he hopes within a couple of hours to pick his running mate for the election campaign.

The Democratic presidential nominee gave this word to reporters shortly after 10 o'clock when he arrived at the Billmore Hotel where he had a conference scheduled with Gov. David L. Lawrence of Pennsylvania and Mayor Richard Daley of Chicago.

Purpose of their conference obviously was to talk over the No. 2 place of the party ticket.

An aide said Kennedy also would meet with Gov. Michael DeSalle of Ohio, and later "go down to see" Sen. Lyndon B. Johnson of Texas whom he defeated in the race.

Reporters asked Kennedy whether he expected to name his choice for vice president this morning.

"Yes, maybe within a couple of hours," Kennedy replied.

He said he expected "the campaign will be very formidable."

Kennedy looked fresh and full of energy. In response to a question, he said he had had about five hours sleep.

### Sues for Shooting by Rail Guard

MEMPHIS (AP) — James H. Cook, a 40-year-old Parkin, Ark., tenant farmer, filed a \$125,000 damage suit against the Southern Railway Co., yesterday, contending a railroad guard maliciously shot him.

Cook's suit said the shooting incident occurred at Decatur, Ala., last July after he and two others were caught trying to hop a freight.

The suit said the railroad agent, who was not identified, fired a bullet into Cook's back while he, his son Leroy, 17, and a nephew, George Edwards, 16, were walking in front of the officer with hands in the air.

Cook said he was jailed at Decatur without medical care or bedding forced to sign a statement given him by a railroad representative and forced to accept and endorse a check for \$50.

A 10-day jail sentence against him was suspended. Cook said, when he and the youths agreed to leave Decatur within five hours.

The suit said Cook and his son went to Decatur to take the train, but they were stopped by police. They tried to hop the freight after they ran out of money, the suit said.

### Fleming Is U. S. Engineer Chief

WASHINGTON (AP) — Brig. Gen. Robert J. Fleming, 51, will take over Nov. 1 as Southwest Division Army Engineer with headquarters in Dallas, Tex.

Fleming succeeds Brig. Gen. William Whipple, who is retiring. Fleming has been commanding general of Theater Army Support Group in Europe.

The southwest division engineer supervises Army Engineer projects in Arkansas.

Fleming's appointment was announced here yesterday by Lt. Gen. E. C. Hirschner, chief of engineers.

### If Elected Kennedy Is Youngest

WASHINGTON (AP) — If Sen. John F. Kennedy wins the presidential election this fall he will become, at 43, the youngest man ever elected to the presidency and the second youngest ever to hold the office.

If Vice President Richard M. Nixon, 47, wins the Republican nomination as expected and then defeats Kennedy in November, he will be the third youngest president in U. S. history.

The youngest president ever was Theodore Roosevelt, just 10 months past his 42nd birthday, when he succeeded to the White House on the death of William McKinley. McKinley was assassinated after less than a year in office. Roosevelt had been vice president.

The youngest president-vice president team ever to win a national election was U. S. Grant, 46, and Schuyler Colfax, 45.

The average age of U. S. presidents on the day of their inauguration has been 56.

### Symington Is Boomed for No. 2 Position

By JACK BELL

LOS ANGELES (AP) — Sen. John F. Kennedy of Massachusetts held the cherished Democratic presidential nomination today.

But his roughshod ride over all opposition on the first ballot Wednesday night left some gaping holes in the "strong and united States" which he told a cheering convention he will lead into the November election.

In an attempt to placate angry Southerners threatening to walk out on the ticket, there were reports Kennedy might turn to Sen. Stuart Symington of Missouri as his running mate.

Symington, who mustered 86 votes to Kennedy's winning 806, is regarded as acceptable to the South.

Informed sources said the new nominee's choice had been narrowed to Symington and Sen. Henry M. (Scoop) Jackson of Washington. Jackson was named by brother Robert Kennedy as his own personal favorite.

But there were some among the Kennedy strategists who urged that five refusal of the vice presidential nomination be given to Senate Democratic Leader Lyndon B. Johnson of Texas.

With Kennedy's guidance, the convention is expected to name the vice presidential nominee tonight.

In a demonstration of power that surprised even his own leaders, Kennedy swept to a smashing first victory as the first Roman Catholic to be nominated for the presidency since A. Smith.

He rolled over Johnson, the South's choice, who collected only 409 votes. He left Adlai E. Stevenson, the darling of the sentimental and excited galleries, far behind with 79½ scattered votes.

To win, Kennedy didn't need any of the 43 Gov. Robert B. Meyner of New Jersey kept in his corner, nor any of the 41½ that were cast for Sen. Hubert H. Humphrey of Minnesota.

"The booming tallies of the big states, where the heavy electoral vote will count most in November, put Kennedy across in a convention that had accepted his nomination as an almost foreclosed matter and had little for delegates to shout about.

In the showdown, New York laid 104½ votes on the line for the Massachusetts senator. Pennsylvania clipped in with 68, Ohio 64, Illinois 61½, Michigan 42½, Massachusetts 41, Indiana 34, and California 33½.

Scattered votes—many of them from the West where Johnson believed he was strong—lifted Kennedy to his winning total.

But the South wanted none of the 43-year-old gladiator who had showed his elders among his opponents that by winning all the primaries in which he was entered and in tireless campaigning for more than two years he had forged a crushing machine.

Kennedy didn't get a single convention vote from Arkansas, Florida, Georgia, Louisiana, Mississippi, South Carolina, Tennessee, Texas or Virginia. He harvested only 2½ in Alabama and 6 in North Carolina.

Truman Won't Talk

INDEPENDENCE, Mo. (AP) — Former President Harry S. Truman refused to discuss with a reporter this morning the Democratic party's nomination of Sen. John F. Kennedy for president.

"I have no comment," said Truman.

Pressed by the newsman, Truman said only that "I can't talk to you this morning."

"I had the honor of interviewing the Hon. Sam Rayburn at his hotel room early this afternoon and mailed it to KXAR today.

"DixieLand is a wonderful daughter and I rode every ride on Saturday. Yours TALBOT FIELD, JR."

### Rebuffed Lover Kills College Girl

BERKELEY, Calif. (AP) — The quiet of the University of California's main library was shattered Wednesday by two shots. One killed a 21-year-old coed, one blinded the girl's slayer in a suicide attempt.

Sonja Lillian Hoff looked up from her book to see a fellow senior from Long Beach, Calif., who had changed his name from Bertran Joseph Hawk to Mohammed Abdullah. Witnesses told police Abdullah, 21, strode directly up to the blonde Berkeley girl, pulled a .38-caliber revolver from his pocket, and fired point-blank at her forehead, killing her.

## Kennedy Clan

Continued from Page One  
bassador at the end of 1940. Eight years ago, when son Jack launched his Senate career, father Joe tried to sever the cords of political inheritance.

Joe Kennedy declared he was "in complete disagreement with his son on foreign policy. I couldn't possibly have a worse argument with anyone about foreign policy than I have had with my son," he added.

He didn't make public speeches or campaign for his son. But even then he wore a deep blue tie with the silver inscription "Kennedy for President," a gift from friends.

The driving ambition of presidential candidate Kennedy doubtless comes from his Irish-Catholic father. Brought up in a moderately well-to-do Boston family, Joe Kennedy set out to be a millionaire by the time he was 35 and succeeded far ahead of schedule.

Today, Joe Kennedy's wealth, derived from banking, liquor, the motion picture industry, shipping and Wall Street interests, has been estimated in the tens of millions.

To each of his nine children—seven are still living—he said he gave a trust fund of "at least a million" each.

The Kennedy family, including all those married into it, are a tight-knit group. They are devout Catholics. Cardinals have officiated at their weddings.

When the clan gathers at the family summer home, at Hyannis Port, Mass., on Cape Cod, athletics is usually the main interest. Touch football has long been a favorite with them.

Joe Kennedy's four sons followed in his footsteps and were graduated from Harvard, where they starred at baseball, football or swimming.

His five daughters were educated in Catholic schools, convents and colleges.

All but the eldest daughter, Rosemary, who teaches in a convent school, are married and have children.

The Kennedy clan has politics in its blood. Jack's grandfather, Patrick J. Kennedy, started out running a saloon and became an East Boston political boss. His mother Rose, was the daughter of famed Boston Mayor John F. (Honey Fitz) Fitzgerald.

Perhaps as imbued with politics as Jack are his two brothers, Edward and Robert, both lawyers and stalwart campaigners.

The youngest, Edward, 28, nicknamed "Teddy," took over in 1958 as Jack's campaign manager and has been in the thick of things since.

When Jack ran for the Senate in 1952, brother Robert F. had the campaign job. Since then, Bobby, 33, rose to a prominent role as chief counsel of the Senate investigations subcommittee.

Last September, Bobby quit his Senate investigating job to write a book about labor racketeers, entitled "The Enemy Within." It was published in the midst of the 1960 primaries, adding to the Kennedy publicity.

Jack is the author of "Why England Slept," and the Pulitzer Prize winning "Profiles in Courage."

At the second annual banquet Friday, July 15, in Harris Gymnasium, announced Harvey Washington, President.

The Civic Improvement Association will sponsor this banquet to raise funds for the youth of the city.

Admission in advance: Single \$1.00, couple, \$1.00. At door: single \$1.00, couple, \$1.25.

## Aid to Reach Congo Within 24 Hours

By LYNN HEINZERLING  
LEOPOLDVILLE, the Congo (AP)—Dr. Ralph Bunche said today the first of the United Nations troops being sent to help restore order in this troubled republic are expected here within 48 hours.

The U.N. undersecretary spoke at a news conference as Belgian troops tried to enforce an extremely uneasy peace in this capital. Congolese civilians had begun burning automobiles of Europeans.

Bunche said the expects that by early next week at least four battalions of U.N. troops will have reached the Congo. That could mean 2,400 or more soldiers.

The first contingents, he said, are likely to be drawn from the armies of five African nations — Ghana, Guinea, Mali, Morocco and Tunisia.

Bunche said it was his understanding that the withdrawal of Belgian troops was a condition of the U.N. force coming to the Congo.

The automobiles of three Belgians were stopped within an hour in the downtown area and set on fire.

The small force of Belgian soldiers patrolling the sprawling city was helpless to prevent the burnings and a series of assaults and robberies.

At least three members of the native army were killed by Belgians Wednesday night.

One was shot when a band of mutinous Congolese troops tried to ambush a Belgian army column taking 1,000 refugees to the airport.

Two others were killed during the night, and the death brought on an almost general strike in the city. Many hotels were without staffs. Most stores were closed, and the few groceries still open in the white sector were besieged by Europeans stocking up.

Refugees continued to stream across the Congo River to Brazzaville, capital of the former French Congo and a chief embarkation point for the refugees.

Arthur Djinn, representative of Ghana's Prime Minister Kwame Nkrumah, went into an emergency session of the Congo's Cabinet today. He said Ghana was prepared to send troops in answer to an appeal from Prime Minister Patrice Lumumba but wanted the Belgian soldiers out of the country first.

Gun fire was heard during the night but it was impossible to trace it.

Reports from outside Leopoldville were scanty, but airline pilots said they heard of many requests for help by whites.

## Hardin Talk Cancelled by Convention

By THE ASSOCIATED PRESS  
Joe C. Hardin's gubernatorial campaign took a back seat last night to the Democratic National Convention.

Hardin released material contained in the speech as a statement. He hurled one new charge at Gov. Orval E. Faubus, an allegation that a Faubus friend in Huntsville, the governor's home town, has been using surplus government commodities to feed livestock.

Hardin did not name the man. Surplus commodities are distributed by the government to needy families.

Hardin promised, if elected, to issue periodic statements about his personal finances. He led up to this by criticizing Faubus for accepting a \$1,000 donation last December from an east Arkansas supporter.

"I don't believe in any public official taking money," Hardin said. "The fact that the governor took the \$1,000 casts suspicion on the office and the man who took it."

Hardin renewed a charge that Faubus, by maintaining a financial interest in the Arkansas Recorder, used the weekly newspaper to spread racial discontent.

Hardin also said political meddling by the administration has resulted in a shortage of beds and doctors at the University Medical Center and has turned the state Merit System Council into a "front for patronage."

The Merit System Council was created to guarantee that most state employees are hired on merit. J. H. Millsap Jr., of Silvan Springs, another of the four Demo-

## Half a Vote to Faubus in Convention

By GORDON BROWN  
LOS ANGELES (AP)—Arkansas Gov. Orval E. Faubus got a half vote for the Democratic presidential nomination although his state delegation went down the line, as planned, for Texas.

Sen. Lyndon B. Johnson, Faubus, although he wasn't at the convention and wasn't nominated, got his half vote from Alabama, the first state voting in the first and only ballot that gave the prize to Sen. John F. Kennedy.

The one half vote for Faubus was cast by Ernest C. Hornsby of Tallahassee, Ala.

The Arkansas delegation had decided earlier in the day to throw its 27 votes to Johnson for as long as the balloting lasted.

When Arkansas name was called Tom Harper, delegation chairman, responded:

"From here on Arkansas casts 27 votes for Johnson."

Earlier, during nomination of prospective candidates, Harper announced that Arkansas would vote for Johnson but would yield its place to Florida so that state might nominate its favorite son, Sen. George Smathers.

Arkansas made no nominating or seconding speech.

While the Arkansas delegates generally were unhappy at Johnson's defeat, and openly critical of the party platform, some of them at least thought Kennedy would have a good chance of carrying the state.

Paul Chambers of Little Rock, outgoing national committeeman, said that while the platform would be a handicap, Kennedy is an effective campaigner and probably could carry Arkansas.

Harold Jinks of Piggott, a regional director for the Democratic National Committee, said:

"If Eisenhower couldn't carry the state in 1952 and 1956, how in the world could Nixon carry it this year?" he reasoned.

Any democratic candidate, Jinks said, could carry Arkansas over Nixon.

## 3 Standouts as Nationals Win All-Star

By JOE REICHLER  
Associated Press Sports Writer

NEW YORK (AP)—They'll be talking about the second All-Star game for years to come.

Not so much because the Nationals won it for an unprecedented sweep of the two-year-old two-game midsummer set to narrow the Americans' over-all margin to 16-13.

Not so much because for only the third time since its inception in 1933 has an All-Star game ended in a shutout, such as Wednesday's 6-0 victory, or for the third time have four home runs been hit by one club.

Not so much because for the second time in three days was the victory credited to a Pittsburgh pitcher, Bob Friend won in Kansas City Monday and Vernon Law won in New York Wednesday.

Not so much because in winning, NL Manager Walter Alton accomplished, within 10 months, a feat AL Manager Al Lopez, All-Star games, or because in losing, grand slam in baseball by winning

## Texas Has Bad Break at Cincinnati

By HAROLD HARRISON  
CINCINNATI (AP)—If there are any complaints about the 30th annual women's Trans-Mississippi golf tournament, they must be

a pennant, a World Series and two ferred his sixth All-Star loss, two as a player, one as a coach, and three as a manager.

The 38,362 paying customers in Yankee Stadium will long remember the second 1960 All-Star game because of the heroics of three really superlative performers, three players who belong on any All-Star team in any generation—Willie Mays, Stan Musial, and Ted Williams.

Willie the Magnificent, back in New York where he last played in 1957, duplicated his spectacular Kansas City performance by smashing a single and home run off New York southpaw Whitey Ford and another single off Detroit right-hander Frank Lary. The San Francisco special also stole a base. In center field, Willie was his magnificent self, making four putouts. One was on a 425-foot smash by Mickey Mantle to deep center which he made look easy.

Mays, who also cracked three hits—a single, double, and triple—in the first game, now shows a .438 All-Star average on 14 hits in 32 at bats.

The only person not excited about Mays' performance was Willie himself.

"Can't let it go to my head," he said. "When I find myself feeling good about something I done, I remember that next day could be a bad one. And man, I have had some bad ones. Some were so bad I could cry."

## THE RIGHT PITCH

coming from Texas.

The Lone Star State qualified three girls for the championship flight, but the pairings placed them so close together only one will be left when today's third round is finished. They will have killed each other off.

Wanda Sowell of Tyler, Tex., eliminated Sandra Palmer of Fort Worth Wednesday. Today she faced another foe from her own state, tiny Sandra Haynie of Austin, who was the hottest shooter in the field. In Wednesday's second round, Miss Haynie was five under par Wednesday in crushing Mrs. Bert Craig of Cincinnati, 7 and 6.

Miss Haynie, a high school senior, is twice Texas state champ at the age of 17. Miss Sowell is the current Texas public links champ. Wednesday's second round brought the elimination of the defending champion, Ann Casey Johnson of Mason City, Iowa. She was a 3 and 2 victory over blonde Barbara Slobe, 20, a typist from Waukegan, Ill., the 1958 Illinois women's champion.

That left Mary Ann Downey of Baltimore, Md., as the only former winner of the Trans-Mississippi in the field. Miss Downey, who won in 1951, had to go 19 holes to win from Diana Hoke of Pittsburgh, Pa.

## 1st Landing Favored at Monmouth

OCEANPORT, N.J. (AP)—C.T. Chenery's First Landing, champion 2-year-old of 1958, will be the favorite Saturday in the \$100,000-added Monmouth Handicap at Monmouth Park.

A field of about nine is expected for the 1 1/4-mile race, and First Landing would be the starting point weight under 123 pounds as he goes after his first victory since the Laurel Maturity in April.

Eddie Arcaro, winner of three straight Monmouth Handicaps with Nashua, Dedicate and Bold Ruler starting in 1956, will be back to pilot First Landing, Arcaro, who rode the Chenery 4 year old in his 1958 races and again last year, hasn't been aboard First Landing since he finished out of the money in the Santa Anita Handicap last February.

Ada L. Rice's Talent Show, winner of the Massachusetts Handicap in which First Landing was fourth, and Emil Dulce's Manassah Mauler, winner of several handicaps this season, are next in the weights with 117 pounds apiece.

## Top Golfing Pair Collide at Detroit

DETROIT (AP)—Art Wall Jr. and Mike Souchak, riding two of golf's hottest streaks, headline a classy field of 161 that tees off today in the \$25,000 Western Open Golf Tournament.

Wall, the man with the magic touch around the greens, was 19 strokes under par last week in winning the Canadian Open. A few days before, he finished in a second-place tie in the Clint Open.

Souchak won that one, holing a seven-foot putt from the 18th green in the final round for a one-stroke victory.

## Home Run Is Good Feeling to Musial

NEW YORK (AP)—At 39, Stan Musial acknowledged today that he couldn't keep going forever.

"When you hit a home run in an All-Star game, it makes you feel a lot younger than you are," he said. He added he's not thinking in terms of quitting.

Musial grinned as he thought of the seventh inning of Wednesday's game when he blasted a homer to help the National League defeat the American League 6-0 in the baseball classic.

"When I went past Solly, Hemus (third base coach) I said to him: 'I kinda liked that.'"

Musial now has played in 10 All-Star games and holds a listful of records. He has hit more home runs than anyone (6), hit for more total bases (39) and has the most at-bats (57).

"Nineteen All-Star games," Musial mused. "Imagine that. I don't think some of those kids on the team were 19 years old (they all were over 19)."

"But I've still got my enthusiasm and that counts a lot."

## Gifts Pour in for Sleeping Sickness Pair

CLEVELAND (AP) — Touched by the plight of two "sleeping beauty" sisters, a sympathetic public has poured gifts, suggestions and offers of help to the family of Mr. and Mrs. Vincent N. Frantantoni.

The two girls—Bernadette, 11, and Venita, 5—are captives of a mysterious malady of slumber. A diagnosis of the illness that sent Venita into a coma Sunday is expected from doctors at Mount Sinai Hospital by the end of the week.

"I'm so afraid time may run out before they find out what the trouble is and what to do about it," said Mrs. Frantantoni.

"They tell me that the tests take time. But time means so much to us now."

Bernadette has been under the strange spell since last fall, with only occasional moments of wakefulness. She is believed victim of some unknown progressive brain atrophy.

Physicians are unable to say whether the two ailments are related. They have assured the Frantantoni family that the "sleeping beauty" sickness is not contagious.

## Rees Wins Delay on Arraignment

BAITMORE (AP) — Melvin H. Rees Jr. has been granted a delay in his arraignment in U.S. District Court on an indictment charging him with the kidnapping and murder of a Virginia mother and her child.

Rees, a Hyattsville, Md., jazz band musician, originally was scheduled to appear in court Friday.

He was arrested at West Memphis, Ark., on June 25.

Yesterday one of Rees' court-appointed attorneys, William J. Evans, asked that a delay be granted until July 22 to permit

the lawyer more time to plan Rees' defense on charges of kidnapping and slaying Mrs. Carroll Jackson

and her daughter Susan, 5, of Apple Grove, Va., last year.

The bodies were found in a shallow grave near Gambells, Md., not far from where Mrs. Margaret V. Harold, a 31-year-old, Md., was shot to death in 1957.

Mrs. Jackson, her husband, Susan and an 18-month-old daughter, Janet, disappeared Jan. 11, 1959, while driving to their Apple Grove home.

Physicians are unable to say whether the two ailments are related. They have assured the Frantantoni family that the "sleeping beauty" sickness is not contagious.

## Low-Calorie Cantaloupe Treat

"Cantaloupe on the Rocks" is as intriguing as it sounds. California midsummer cantaloupe, chilled and filled with jellied consommé, makes an exciting and refreshing combination for summer eating. Serve it either as a first course for dinner or as a low-calorie salad for the ladies. The sour cream topping is optional, for those who like sour cream. It adds a gourmet touch. Elegant as this looks, it takes only a few minutes to prepare.

Cantaloupe on the Rocks

Chill 2 or 3 California midsummer cantaloupes and 1 (10 1/2 ounce) can consommé. (Consommé must be chilled 4 to 6 hours, so it jellies.) Halve cantaloupes and remove seeds. Salt fruit lightly, and heap cavity with jellied consommé. Serve with wedges of lime. Pass commercial sour cream for a topping, if desired. Makes 4 to 6 servings.

## U. S. Rejects Troop Call to Congo

By JOHN A. SCALI

WASHINGTON (AP) — The United States is reported willing to provide technicians and financial support—but no troops—for any United Nations force sent to put down the mutiny in the African Congo.

Top officials outlined the administration's attitude in the wake of a White House declaration that countries other than the United States should provide the forces. The Congo government has requested to restore order.

President Eisenhower, at his vacation headquarters in Newport, R.I., late Tuesday turned down the Congo's appeal for 3,000 American troops. Eisenhower said via a White House spokesman that "it would be better for the Congo" if no troops were sent from "any of the large Western nations" on such an emergency mission.

Authoritative officials sought to make clear today that the United States did not propose to stand aloof entirely from any U.N. ac-

tion which might be decided upon.

American planes and ships might be used to rush a U.N. force to the trouble spots, authorities said. Furthermore, civilian technicians as well as funds could be allocated to meet other requirements, they added.

Soviet propaganda, it was felt, would be swift to denounce any American troop units as blatant interference in the efforts of a new, independent nation to throw off the colonialist yoke.

## Ike Ends Business

NEWPORT, R. I. (AP) — President Eisenhower, a round of business conferences behind him, has only golf on his announced agenda for today.

The President arranged for an early round of the Newport Country Club course close by the summer White House at Ft. Adams, part of the Newport Naval Base.

## Scientist is Honored for Defense Idea

LOS ANGELES (AP) — A brilliant scientist today receives one of the nation's highest honors for an antiradar invention so vital that it is still classified as a top secret.

Rear Adm. Walter F. Rodeo, commander of 11th Naval District, will give Dr. Otto Halpern a special Defense Department medal in ceremonies at the University of California at Los Angeles.

The fact that Dr. Halpern had in fight for 18 years for his right to the honor is of no significance to him today.

"I wouldn't be ungrateful of me to complain," he said in an interview Tuesday. "When the Defense Department is doing everything it can now to make up for those bitter years."

A year ago Dr. Halpern was awarded \$340,000 by the Defense Department in settlement of his 10-year court battle for recognition as inventor of a material that helped U.S. planes and ships evade enemy radar in World War II and the Korean conflict.

A theoretical physicist, he developed his idea while working at the Massachusetts Institute of Technology in 1941 and it was put to work by the Navy.

When he tried to patent his in-

vention, the government ruled that granting a patent would make his secret processes public.

## To Post Bond for Accused Bomber Pair

LITTLE ROCK (AP) — Attorney Kenneth Coffelt promised to post bond today for two men charged with the attempted bombing of a Negro college here.

Police meanwhile pushed an investigation of a blast which damaged a school district storage building. There was no indication the attempted bombing and the actual blast were linked.

Emmett J. Miller, 44, and Robert Lloyd Parks, 38, both of West Memphis, remained in jail overnight in lieu of \$20,000 bond each.

Miller and Parks were arrested by FBI agents early yesterday as they were about to light the fuse on a homemade bomb at Philander Smith College for Negroes.

Adams, charged as an accomplice, was arrested about the same time at his home in Bassett.

The men were the first to be charged under a provision of the 1960 federal civil rights act prohibiting interstate transportation of explosives. The FBI said they thought the dynamite at Memphis.

## Peachy Lime Surprise

Delicious and festive, here's a family dessert surprise that makes two fruit favorites — fresh, ripened peaches and cool lime-flavored gelatin. So easy to prepare with the new, family size fruit-flavored gelatin, it's a dessert you'll want to make frequently while fresh peaches are plentiful and at their best in flavor.

### Peach and Lime Mold

1 large package (6 ounces) lime-flavored gelatin  
2 cups boiling water  
2 cups cold water

2 tablespoons lemon juice  
1 cup sweetened sliced peaches  
1/2 cup whipping cream

Dissolve gelatin in boiling water. Add cold water and lemon juice. Chill until slightly thickened. Measure 1 cup of mixture and set aside. Fold peaches into remaining gelatin and spoon into a 9-inch square pan. Chill until set but not firm.

Whip the cream. Place reserved gelatin in a bowl of ice and water. Beat with an egg beater until fluffy and thick. Fold whipped cream into gelatin and spoon over gelatin in pan. Chill until firm. Cut into squares. Garnish with lime slices and sprigs of mint, if desired. Makes about 9 servings.

## Hungarian Refugee Shot by Police

became political fodder in the Arkansas governor's race.

Four men opposing Gov. Orval Faubus, fourth-term bid in the July 26 Democratic primary charged the governor with creating an atmosphere of strife which inspired violence.

Little Rock now has had five integration-related bombings. Five white men were charged in three blasts last Sept. 7. Four were sentenced to prison and one has not been tried. Two Negro men were sentenced to five years in prison for a Feb. 9 explosion at a Negro student home.

No one has been hurt in any of the blasts. Yesterday's explosion heavily damaged the warehouse and broke out windows in neighborhood homes.

Coffelt, who represented the men at a bond hearing yesterday, said he had been retained by "certain Arkansas interests" to handle the defense. He declined to name his employers.

Coffelt said he was convinced the men were "duped" and "trapped" into participating in the bomb plot.

### Blind Wants Gun

ATLANTA (AP) — An Atlanta factory worker has applied for a permit to carry a pistol, but officials indicated that although he may be a very good shot they are going to refuse him.

The factory where Paul U. Starnes works is the state factory for the blind.

The 54-year-old blind man says he has been shooting pistols, rifles and shotguns for 20 years and claims he is about as good a shot as anybody. But authorities still were skeptical.

The state's timber severance tax collections were up more than 20 per cent in 1959 over 1958.

### Smokey Says:

It's a sad note when forests burn!

UNION, N.J. (AP) — Michael Pekecs, a Hungarian refugee accused of murdering six persons, lay in a coma on a hospital bed today, a policeman's bullet lodged in the base of his skull.

The end of one of the most intense manhunts in the state's history came Tuesday night when Pekecs tried to shoot it out with two policemen on a dirt road in a wooded area.

He fired a volley of wild shots before being brought down by a bullet fired by Union Patrolman Walter Lemmy.

Pekecs, 25, a lover of sports cars, formal clothes, and jazz records, was being sought by police for questioning in connection with the slaying of two policemen in Highland Park last Sunday.

The search gathered momentum Tuesday after Middlesex County Prosecutor Edward J. Dolan said that Pekecs had killed the two policemen and had slain four other persons on a North Brunswick estate last January.

Doctors at Elizabeth General Hospital said the bullet had caused a massive brain hemorrhage and Pekecs was not expected to live.

Pekecs was picked up Sunday for driving with a revoked operator's license. The two arresting Franklin Township patrolmen, George Dunham, 31, and John Lebed, 30, took him to his apartment so he could get \$250 for bail.

The policemen later were found slain on the floor of the one-room apartment. Each had a .32-caliber bullet in his right temple. The murder weapon and Lebed's .38 caliber service revolver were missing.

Dolan said ballistics tests showed the same gun used to kill the two policemen was used to kill four persons on the estate of Dr. Francis Clarke last Jan. 26.

An unidentified person entered Clarke's home while he was away performing an operation, tied up four persons, and shot each through the temple with a .32-caliber pistol. The victims were Clarke's 57-year-old invalid wife, her companion, a maid, and the Newark cab driver who drove the slayer to the large colonial house.

The American Derby, held annually in Chicago, was first run in 1884.

## New Charges, Old Hurlled in Campaign

By THE ASSOCIATED PRESS

One new charge that Gov. Orval E. Faubus is linked to the weekly Arkansas Recorder and a number of old ones speeded the weekend political stew.

Atty. Gen. Bruce Bennett predicted yesterday that Gov. Orval E. Faubus, target of most of the campaign charges so far, would attend the Democratic National Convention this week in Los Angeles. And Bennett, one of four men opposing Faubus' bid for re-election, added, "I just hope he won't further embarrass Arkansas while he's out there."

Faubus was not available for comment on reports he will attend the convention and his campaign headquarters declined to comment.

Hardin, in a statement released Saturday night, charged that Faubus used the Recorder "for stirring up feeling about the racial situation." He showed a news conference documents allegedly supporting his claim that Faubus had an interest in the Little Rock weekly newspaper.

Faubus, in reply, said, "I do not own the Arkansas Recorder." He said, however, he had assisted in securing an editor for the paper and "when called upon had advised him."

Atty. Gen. Bruce Bennett took to television Saturday for the second time during the campaign to assail Faubus' record on integration. He also attacked the governor on his taxation record and charged that Faubus' administration has not set down a program or platform for the next two years.

Faubus, answering Hardin, said, "Even if I did own the Arkansas Recorder, I see nothing whatever wrong in owning a legitimate business." He said a \$1,000 check from B. G. Dickey of Early was to "pay for new subscribers" to the Recorder.

Hardin had displayed a copy of the check, made out to Faubus and deposited to the Recorder's bank account. Hardin also showed a number of copies of what he said were letters of instruction from Faubus to Ron Burnham, former Recorder editor. One of these directed the recipient to prominently display stories of racial unrest.

Hardin said he felt the Pulaski Grand Jury and Internal Revenue Service should study the matter and asked whether the \$1,000 check had been reported on Faubus' income tax return.

Faubus said that after the Recorder, founded by John P. Wells, changed hands early this year he "was asked by the new owners to assume active editorship and control" but declined. Burnham since has left as Recorder editor.

L. Bland, a Faubus campaign aide, said the governor would have more to say about the situation later.

Bennett devoted most of his speech to reviewing his fight against the National Assn. for the Advancement of Colored People and attacking Faubus' record on integration. He contended that Faubus had "compromised the state" by shaking hands with Mrs. Daisy Bates, Arkansas head of the NAACP.

"During this entire campaign," Bennett said, "I have yet to hear the present administration state one single sentence in the way of a platform or program for the next two years."

He added, "Shall it be another two years of confusion? Another two years of closed school houses? Another two years of tax increases?"

Bennett, in reviewing the laws he has drafted and the suits he has filed against the NAACP, noted that measures he composed were used to combat Negro "sit-in" demonstrations in protesting lunch counter segregation some 18 months after the bills were passed.

Bennett also contended that Faubus has never said he is a segregationist.

Bennett also charged that Faubus had promised in 1956 not to sign any tax increase bills, but that nearly all taxes have gone up.

## State Armories in Fund Bill

WASHINGTON (AP) — Several Arkansas projects are included in a \$904,855,000 military appropriations bill signed by President Eisenhower.

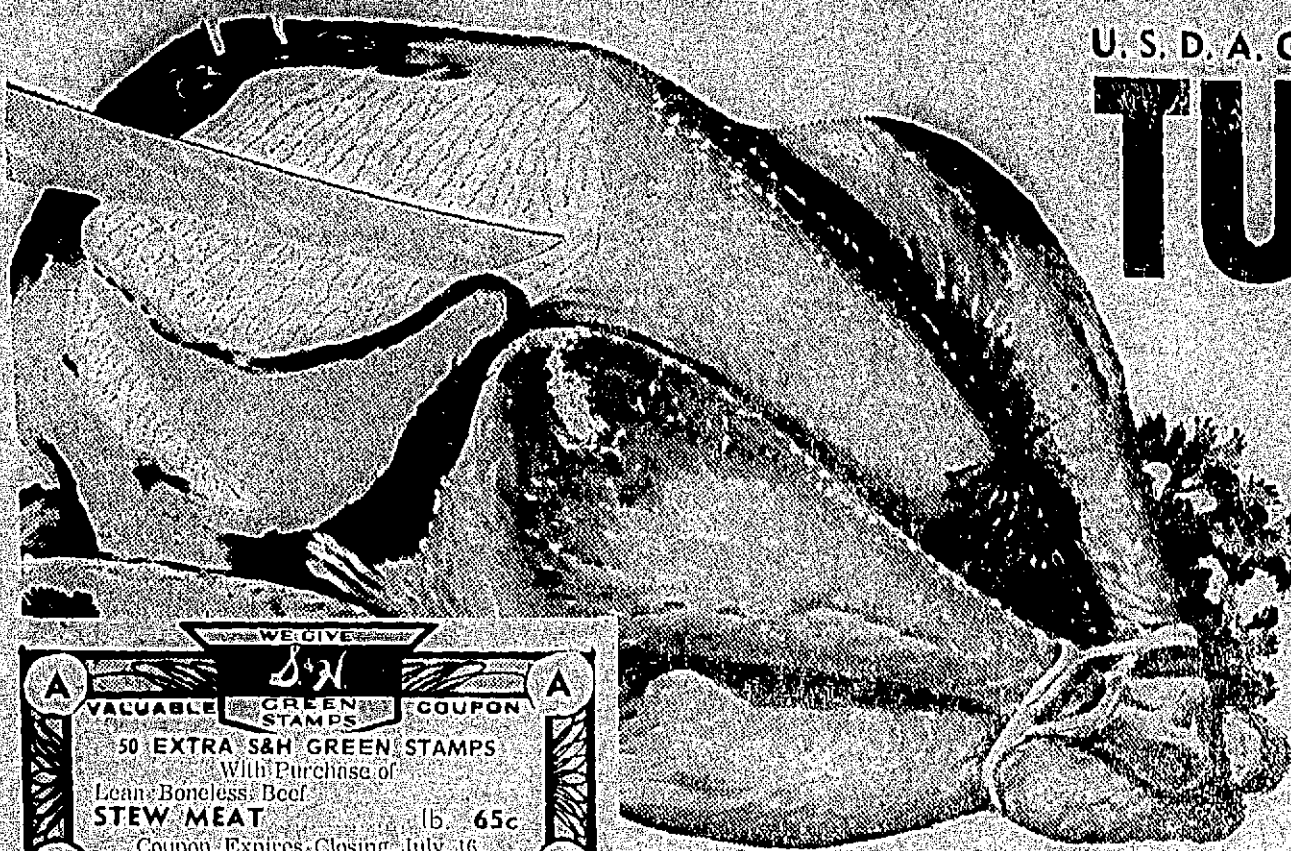

The measure provides these amounts for the current fiscal year: Army \$148,407,000, Navy \$14,519,000, Air Force \$609,501,000 and Army National Guard \$17,540,000.

Arkansas projects are: Blytheville Air Force Base—\$1,925,000 for operational, training, maintenance, supply and community facilities and troop housing; National Guard armories—\$45,000 each for Danville, Damascus, Heber Springs, Perryville and Sheridan, and \$47,000 each for Marshall, Mountain Home and Silvan Springs.

Madison Square Garden lost about \$200,000 when it promoted the Gene Tunney — Tom Heeney fight in New York's Yankee Stadium in 1928.

How To Beat The Heat

A cool, attractive, cereal and milk breakfast adds balm to the spirit and provides the body with quick and lasting energy for the hot day ahead. Skipping breakfast is not the answer of how to beat the heat. Quick and lasting energy are very important aids when it comes to ways to "beat the heat." The quick energy gets you started in the morning, the lasting energy keeps you at top performance for the entire morning.

Summertime offers so many opportunities to prepare attractive, refreshing breakfasts that will tempt wilted appetites. To ensure an adequate breakfast, simply use a basic breakfast pattern for your guide. This pattern includes fruit, cereal, milk, bread and butter. Chilled melons are wonderful summer breakfast fruits because they add variety and make a good contribution of vitamin C. Breakfast cereals offer many choices of both the regular and pre-sweetened types. The cereal and milk breakfast is the quickest, easiest, and most convenient to prepare. Other adequate breakfasts require longer preparation time, more work, more clean up, and cost more.

Democrats Put on Good Fight Show

By SAUL PETT  
LOS ANGELES (AP) — For awhile it looked like the Democrats were going to give a coast-to-coast tranquilizer. But Tuesday they began to act like Democrats. They began to fight.  
The day started with a debate between candidates Lyndon B. Johnson and John F. Kennedy. They met in something less than mortal combat. The day ended at a convention hall with Democratic delegates fighting over civil rights. It was almost like old times.  
Johnson, the gray fox of Texas, invited Kennedy to debate the issues.  
It proved to be a heart-warming meeting. There they were, Johnson and Kennedy, telling each other what great friends they were, two old Senate buddies, full of mutual admiration.  
It was so moving you almost couldn't see them needle each other. But they did.  
Kennedy wondered out loud about candidates who don't enter primaries, which Johnson didn't. Johnson innocently remarked on the importance of a good Senate attendance record, which Kennedy wasn't had lately.  
Meanwhile, back in the convention hall, the second session moved along with all the alacrity of a flying elephant. Speakers got the same rapt attention American usually reserve for TV commercials.  
The delegates milled in the aisles. They clustered around TV men, clustering around somebody on camera. They took pictures of each other posing with Franklin D. Roosevelt Jr. and other celebrities to impress the folks back home. They ogled Frank Sinatra and Peter Lawford, who wandered around wearing buttons which said, "Beat Khrushchev."

Dog Paralyzes Subway Traffic

NEW YORK (AP) — A frisky mongrel got on the subway tracks in Manhattan and made the morning rush hour even more hectic.  
One train was delayed 10 minutes and others had to be rerouted before perspiring transit employees won out in a lively game of hide and seek with the pooch in the darkened tunnel.

Mound Bayou Birthday

MOUND BAYOU, Miss. (AP) — The oldest all-Negro community in the United States has observed its 73rd birthday.  
Founded July 12, 1887, Mound Bayou was first settled by Isaiah T. Montgomery and Benjamin T. Green, former slaves of Confederate President Jefferson Davis.  
This year's observance, Tuesday, included a pilgrimage to the founders' graves, an anniversary program, and a barbecue.  
Church, the boy senator from Idaho, begged the delegates to clear the aisles. They didn't. He got mad and threatened to call the cops. But the aisles remained clogged as if it were dollar-day at Tiffany's.  
But it was Gov. Leroy Collins of Florida, the permanent chairman, who had the roughest time holding or finding his audience. He stopped himself, pounded the gavel, and begged the delegates to alight somewhere.  
Then he was upstaged by Eleanor Roosevelt. Her entrance brought a big roar while delegates turned their backs on Collins.  
Mercifully, the governor was allowed to finish before Adlai E. Stevenson entered and received a huge, 20-minute ovation.  
Adlai got off the best crack of the convention so far. After getting in and out of the crowd at the convention headquarters, he said, "I know who will be nominated—it will be the last survivor."

July Fourth Favorites

What better time than Independence Day to serve American food favorites? Steak, always popular in the U.S.A., lends itself to cooking indoors or out, as do baked potatoes. Serve with a local fresh vegetable—perhaps corn, another native summertime specialty.  
Beer is a suitable beverage for the 4th of July festivities. Not only is it popular, it has an interesting history. Many famous Americans played an important role in the brewing industry of Colonial days, among them George Washington, Samuel Adams, Thomas Jefferson, James Madison and Alexander Hamilton. Today America's beers and ales are among the world's finest.

**Baked Potatoes with Beer Cheese Topping**  
Wash and dry 6 medium baking potatoes. Place on baking sheet in a very hot oven (450° F.) 45 to 60 minutes, or depending on size of potatoes. Remove from oven. With point of paring knife, cut a cross through each potato. Press from bottom to force part of interior through top. Spoon Beer Cheese Topping in each opening; serve immediately. Yield: 6 servings.

**\*Beer-Cheese Topping**  
1 1/2 pound process American cheese  
1/3 cup beer or ale  
1/16 teaspoon Tabasco  
Cut cheese into pieces; place in top of double boiler. Add beer and Tabasco. Heat, stirring occasionally, until blended and smooth.

Snake Just Missed His Wooden Leg

By BOB MARING  
Associated Press Staff Writer  
Frank Graue won't be so eager to put his best foot forward in the future. Last time he tried it he got hurt.  
Graue, 55, of Jonesboro, wears an artificial right leg. The other day, descending from a tractor, he put his good left leg down first. A copperhead bit it.  
He wasn't hurt seriously. But Graue observed, "That snake would have had a real surprise if he had bit the other ankle."

Timetable: 9 p.m. Friday, married; 2 a.m. Saturday, checked in to motel; 5 a.m. Saturday, in jail. That happened to a Newport man in Conway. He was wanted on a bad check charge. But he was soon freed on bond, presumably to continue his interrupted honeymoon.

You won't get Max Dishongh of Batesville to believe that old saw about lightning not striking twice. He's seen it strike the same object twice — him.  
Dishongh was standing by a screen door at a relative's home watching a storm when a lightning bolt hit the house. It streaked through the screen wire and into his body.  
He was badly shaken and had some sore muscles, but was not otherwise hurt. He survived a bolt several years ago.

Sherman Daniel of Slado came upon a rattlesnake. He picked up a rock and subdued the creature, to learn he had a real prize—53 inches long with 12 rattles.

In 1939 Roland Dunlap of Jonesboro was working on a gas transmission line near Wilcox. He had to use a boat for part of the job and one day it overturned. He survived, but lost his favorite wrench.

Not long ago, Dunlap headed a crew sent into the area to replace the line he had worked on 21 years earlier. He recalled to some of his men, the overturned boat and the loss of the wrench.

Yep, you guessed it. They found the wrench—protected by heavy gumbo mud which had kept it in working order.

From the newspaper ads: A ladies' foundation garment sold under the name "Showcase." And a supporting type of apparel entitled "White Lie."

Mrs. Everett Smith's hobby was started "a coffee-drinking fad around Gravette."

She paints china coffee cups. Not the whole cup. Just a design or name or something.  
She painted one for Charles Furlow, who owns a drug store. A customer noticed it, compared it with an old-fashioned personalized shaving mug and somehow this got things going. Furlow had a wall rack made to hold 70 cups and Mrs. Smith began painting them for coffee-drinking customers.

Now the regular have their own cup in Furlow's rack. People compare it to the mug racks barber shops sported in older days.  
It should be carefully noted that it's the fancy cups, not the coffee, which bring the barber shop comparison.

Strongarm Rocket on Test Flight

WALLOPS ISLAND, Va. (AP) — A 7,125-pound Strongarm rocket was launched here today to find out just what atmospheric conditions intercontinental ballistic missiles and the Army's anti-ICBM weapon will encounter.

The Strongarm III, a five-stage device was expected to plunge into the Atlantic Ocean about 700 to 90 miles from its launching pad at this East Coast launching area 25 minutes after it left its pad.

The 56 1/2-foot rocket was launched for the U. S. Army Ordnance Corps Ballistic Research Laboratories of Aberdeen Proving Grounds, Md., by the National Aeronautics and Space Administration.

Its job was to measure upper atmosphere electron densities at altitudes at which the intercontinental ballistic weapons and the Army's Nike-Zeus will operate.

The rocket was designed to go up 1,100 miles, or slightly higher than that reached by the first Strongarm sent aloft from here last Nov. 10.

Strongarm II failed last Nov. 18, because of a malfunction in the firing circuit for the third stage.

One of the first private schools in Arkansas was opened by Judge Daniel Witter in Hempstead county in 1822, but the first law concerning public education was passed by the Territorial Legislature in 1829.

Arkansas personal income during 1959 was over seven per cent higher than the income level of 1958.

# The's Golf Knocked Out by Heavy Fog

NEWPORT, R. I. (AP)—President Eisenhower worked on the government business at the White House today. He had planned an early round of golf at the Newport Country Club course, but a heavy fog over the Narragansett Bay area ruled that out.

The President gave recess appointments to four men he had nominated for government jobs before Congress recessed. The Senate will until Aug. 1 without acting on the nominations. The recess appointments went to:

Harold P. Tyler as assistant attorney general in charge of the Justice Department civil rights division; Robert A. Bicks as assistant attorney general heading the department's antitrust division; Paul A. Sweeney as a member of the Federal Power Commission; and Charles L. King as a member of the Federal Communications Commission. Eisenhower also named A. M. Woodruff Jr., dean of the school of government at George Washington University in Washington, to the National Capital Planning Commission and designated him chairman. Woodruff succeeds Harold Bartholomew for the remainder of a term expiring April

1965. Also appointed to the commission was William C. Foster of Washington, executive vice president of the Oil Mathieson Chemical Corp. He succeeds the late John A. Rehn for the remainder of a term expiring April 30, 1965. The President reappointed C. McKim Norton to the commission for a six-year term. He is an attorney and chairman of the Borough Planning Board at Princeton, N. J. The President hoped to get in a round of golf later in the day.

# Teen-Agers Lead Police Long Chase

LITTLE ROCK (AP)—Police say two teen-age boys were in an automobile that led officers in a bullet-spattered chase. The fleeing car overturned early yesterday on Highway 167 south of Little Rock and the occupants fled into the woods on foot. Last night Jack Randall and Gary Edward Harrison, both 17, were taken to police headquarters by their parents. Police said Randall was charged with reckless driving and released on \$100 bond. Harrison has not been charged yet. At first there was speculation the flight had some connection with a police hunt for unknown
